

Hellooo guyssss, hwruuuuu? 😞

Here are the "story times" i promised you pooksssss

So first abt 🍌:

For sm time he did ignore me and i was like: EXCUZE MOI! YOU CANT JUST SMILE AT ME EVERY DAY AND THEN JUST STOP A RANDOM DAY!!!

But yesterday he smiled at me againnnn 😘😘

Like he does that in a cute way:

He raises his eyebrows and then smiles like iykyk 🤔🤔🤔🤔

AND I LOVE IT I LOVE IT I LOVE ITTTT 💕💕💕

But Lets get to the good part ✨✨

✨🍌✨💕:

1. 🍌 was sick a day so i asked our friends who are in his class: where is 🍌?

And 🍌 said that he is sick and THEN 🍌 gave me the "i know whats going on" look like yk? And obviously I had to ignore that CUZ NONE OF THEM HAS TO KNOWWWWWWWW

2. 🍌 and I had a lil argument 😞:

So we take the same bus but there are two of them and i am the one texting him when the one i am in arrives at his stop

But today i texted: bus comes in a minute

And SECONDS LATER i texted: NOW

But he didnt read that and got the bus WHERE I WAS NOT IN

LIKE WHEN YOU TEXT ME THEN WAIT FOR THE FLIPPING ANSWER AND DONT PUT YOUR PHONE BACK IN YOUR POCKET!!!

i texted him the same thing 🙌

At least i waited for him to walk to class and everything is okay now 😁😁😁😁

3. 🍌, 🍌 and 🍌 have latin and 🍌 and 🍌 learn their vocab in the bus on the way home. So today 🍌 was learning the vocab on his phone and he took a lil test and everytime i try to guess the right answer (i have french 🇫🇷🍌)

And this time he put his hand up so i leaned over to see what the vocab on the phone was and HE SMELLED SOOOOOO GOODD AHHHHH 💕💕💕💕💕💕💕💕

Also when he left i put on sm music on my headphones and when the drop hit i had to look at him like up and then followed his eyes (idk how to describe that but yk? 🙌) and OMGGGGGG I FELL IN LOVE AGAIN AND AGAIN 💕💕💕

but thats it guyss

A little bit more than usually but yeah 😞

Love yall

~elaine ✨💕💕
