

Bruh I just got a new enemy in school- she doesn't even let me talk to my friend that is beside me and she can!? Like the frick? I'm not ur little minion that will obey u- and then just now I have a surprise test and then she was in front of me and she said 'go back a little' and I said 'u have so much space in front of u go in front then' she said 'i don't care' like the frick?!
