

WTF???

Thank you to
the 100 ppl
that support me

also, shoutout to my first:

@bu_nn_ii (my other acc lol)

and my 100th follower♡

@notz_redz872

Support, especially for my art means more than I think a lot of you realize. I appreciate each and every single one of those who comment, like, or even just glance at the work I put on there.

except for the one person who
flagged my anatomy study ♡

get out

in celebration, should I:

- see if you guys have more art requests

- host an art challenge

- draw a ship from alien stave?

(pick 2 of the 3 :))
