

Background

I, the real @apttoget, am going out of my country (USA) for the first time ever! I am going to Taiwan with just my mom on July 13th and I will be attending a camp for 3 weeks where I will intensely study Chinese, and go to cool places.

What's this cool new thing?

I'm going to be making a little comic about my experience. So basically I will make a one-page (or half a page/two pages depending on how much I did) comic every day before bed about what I did that day, then publish the 7 days at the end of the week. I want to do this because I've always liked travel vlogs so why not make my own, but as a comic. And, I will publish cool drawings so you can learn about Taiwan.
