

Girl friend I'm saying it she just can't date yet but I love her so much as a friend and as girlfriend (kinda for gf since she can't date yet, but she said she likes me we've been friends for like 6 or 5 years so exited she goes to my theatre but she didn't come last semester cause of cheer and the second semester she's in teen class because her mom put it in even though she wanted to be with me I was in 11-12 because my friends were still asking me to stay for last semester so yeah bya) also we both say bya too each other)
