

Hello guys, its me again! 🤔👉

so uploaded a post on sunday and it finally got on!!! 🤔🤔🤔

so i decided to upload more stuff for you AND PLS COMMENT SMTH! SO I CAN INTERACT W YOU! 😞

okayy, that was a little CrInGy..

SO, i just wanted to do like some sort of story time 🤔🤔

So there is a boy and lets just call him CoCoNuT 🍪

I know him for like 4 years now ig bc we were in the same class but the classes got seperated so we arent in one class anymore and we just have religion class tgthr 😞

BUT 🍪 and i still have contact bc we are friends for like 2 years now and we talk much and also ride home (in the bus 🚌) together

We did have some random moments that i kinda forgot about (the details) 😞

BUT dont worry guys today there was this random moment AGAIN:

After school i ride home w the bus with 🍪 and his friend 🧊 (cuz he is very tiny)

🧊 always gets us seats but this time he only got one for 🍪 😞😞

So i stood there next to them and we talked like bout some stuff

and i was like: "my legs are hurting bc of standing so long (i had training the day before) and if you were my girlie friends i would just sit next to you even if it was just for 2"

THEN: He looks at me 🙄 and literally said: why dont you sit on my lap?"

🤔🤔🤔🤔🤔🤔

LIKE WHAT

HE SAID THIS CASUALLY

like it was the most normal thing to say!

I WAS SPEECHLESS

After a while of realisation and being speechless i just said: "no thx"

Then 🍪 asked me if he should hold my jacket...

So in germany currently its VERY COLD 🤔🧊

But in the bus it was so warm that it took my jacket of
AND HE HELD IT TILL HE HAD TO GO!

THAT WAS SOOOOO SWEET 🤔🤔

When 🧊 had to go (he i the first who to get out) he gave me randomly a THREAD like wtf why do i need this
And he just went out without telling me why tf i would need this!

So i just mad a lil bracelet out of it and gave it to 🍪 and told him to keep it and that i wanna se him wear it to school tmrw 🤔🤔

Then he had to go and i could see out o the window of the bus that 🍪 PUT THE BRACELET ON HIS WRIST!!!! 🤔

And the jacket 🍪 washolding smelled just like him

So that was it guys 🤔

i will surely update you if smth happened and yea so good morning, good afternoon, goodnight!

ALSO THANK @lynn_slay34 FOR INSPIRING ME TO DO THIS 🤝🤝🥰🥰

LOVE YALL ✨💕
