

STORY TIME!

So today I had the swimming unit and it was fun but my hair froze a lil lol 🙌😊

Anyways, 🍑. Looked. HOT! 😳😓

And 🥕 looked the same as last year so still handsome, but 🍑, I swear bro had a 4 pack, a few girls called my suit cute and some kid apparently got five stared so sucks to be him although he thought I did too cuz my shoulders were red from my backpack so yup!

I had a lil free time which meant I got to go on the diving board twice but it was last hour so I had a few minutes till the bell so I went to go get changed and lost track of time so I left almost left at 2:06 when we leave at 2:05(I was braiding my hair). Well I didn't miss the bus so that's good but as always it was loud on the bus drive home(story for another day)

Bye yall
