

☆ Greezi ☆

age: ∞
gender: none
skill: It can control all the weapons ⇒

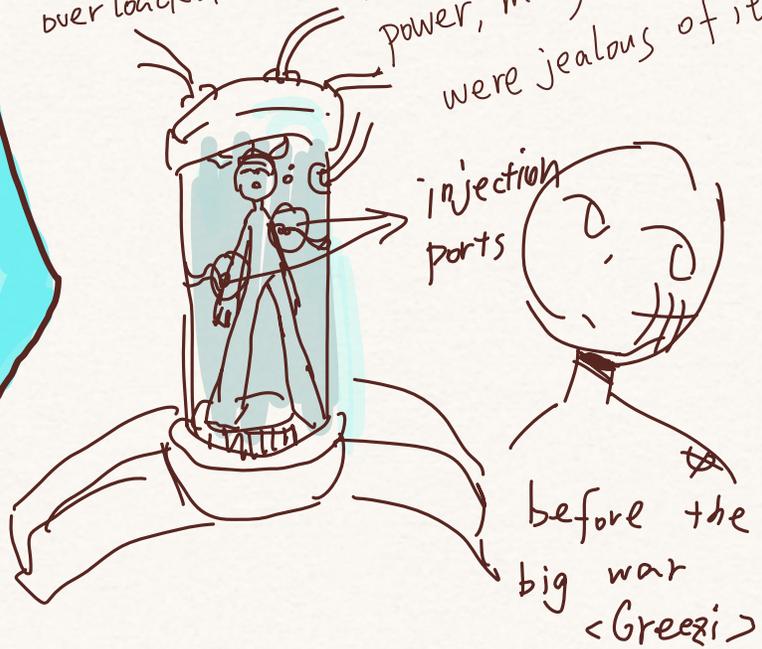

It takes a lot of power to control the weapons

Greezi is used to be the subject of experiments, so it's man made. And Greezi is the first successful subject and it's overloaded.

Because of the great power, many people were jealous of it.

Greezi always fight with others because of that. And after a big war of racing for the top, it lose an eye and was been weakened, so the researchers gave it a neck lace with a soul stone and put two storage bags on its arms.

before the big war <Greezi>
