

Hi guys! I've seen like a million venting notes so far. And I'm probably going to see a million more. So I had an idea. "What if there was an anonymous google doc where people could vent and others could reply?". Obviously, not everyone is the best at giving advice. So, I have a google form that tests you to see if you are good at this kind of stuff. There will also be another test after the google form. The google form link is here:<https://forms.gle/X2ciB7Jiupwn8knz5>

If you have any questions, comments, or concerns, please comment on the post on my account (will post later today) called monitoring questions
