

Ur not-so-local Genshin fan is back 😊

Chenyu Vale is out and wow, I wanna explore there 😊

XIANYUN RELEASE but I can't pull bcos it's Nahida's rerun!! I have roughly 60% chance of being able to get Nahida, I'm at 50 pity with no guarantee with 10000+ primogems so hopefully I win the 50/50 (or at least lose it to Diluc bcos I rilly need good Pyro characters lol)

Anyways I did some Bht Nahida fanart but it lags out when I try to post it 😞

Ok that's all, have a nice day/night! ~@st4rrlight
