

Happy Valentine's Day!!!

I feel like i should do one note like this daily as a little check-in or whatever, tell you what's going on and stuff. Even if no one reads it i think it'd be cool

Also...

I didn't expect to get this many followers this fast, thank you aaa

Also I'm wearing these floral fishnet things to school plus kind of alt makeup and 2 chokers so please grant me some confidence for when people make fun of me :,D
