

Storytime

Topic: Liam

Ok guys! I decided that whenever I can I am going to do a story time... ANYWAYS! Today our topic is Liam, I thought you guys would want to know a little bit more about my crush i won't be saying his last name nor what grade or school he's in and what school he goes to. This isnt a story time but I have a time that my friend Brooklyn caught Liam staring at me! Every time I think about this I get butterflies, cuz was he checking me out? I'm hey I least he knows who I am thanks to Brooklyn!

.
