

If you can't listen to music with me and just sit we can't be friends, if you make me laugh then make fun of my laugh we can't be friends, if you can't send me one good morning message we can't be friends, if you can't talk about your future with me we can't be friends, if you can't except your beautiful self , we can't be friends. You have been created on purpose, for a purpose
