

Hey yall!

This is gonna be a note with the election results and my idea thingies!

So, I had this idea. Every note I post for the KotLC group is gonna be this color, ice bluish. (\*cough\* Keefe \*cough\*)

BUT ANYWAYS!!!!!! Here are the election results!

-@littlesylveon: 11/11 with 10710 points

-@marigoldsorsall: 11/11 with 10914 points

-@notes5454: (umm... they didn't do it...)

So that means @marigoldsorsall is now the vice president!

And my friend, Teagan, is the mascot. :D

Both @marigoldsorsall & @littlesylveon did really well though! 🙌 \*clap clap\*

Ok... umm... @marigoldsorsall do you think we should do a meeting thing next? Or something, I haven't put much thought into the next thing we're doing for this group... ok maybe like no thought at all... so yeah I dunno yet.

K byeeeeee! ✌️
