Extra:

My Flag names and definitions:
(because some ppl don't know what they mean)

my case
nonbinary -
Someone who feels no/lacks gender/expresses no gender (or uses they/them prns)

Pangender -
Someone who feels/expresses all genders at once (or uses all pronouns)
my case

Under Bisexual umbrella

Pansexual -
Someone who feels romantic/sexual attraction to all genders (there is also panromantic for major Acesexuals)

Bisexual -
Someone who feels attraction to 2 or more genders some Pansexuals will call them self bisexual

Aceflux -
when someones sexual orientation fluctuates but mostly stays on the acesexual spectrum

Transgender -
when someones gender is different then the gender assigned at birth

Acesexual -
Someone who lacks or feels no sexual attraction

(I know some people get confused with these that's why I added this.)

(Trying out the Remix Thing so maybe I can post this.)

your art style is adorable

your persona is so freakin cute!

I tried...
