the flareon

Short Story: Blaze

Is a very prideful eevee
When ever he gets the
Chance he'll say something
Like "I'm proud to be a
Eevee" he wears the
Very evolution stone that
Evolved him like a necklace.
He will literally almost fight
Anyone who even thinks
About picking in an eevee.
When he heard a eevee group
He joined to prove the school that eevees aren't
weak at all.
