Do you have a PUSH PBINGO

they smile at you and it makes your day	you pretend that you find them annoying	you talk about them constantly	you've dreamed about them
you blush whenever they talk to you	when they get in trouble you are in denial that they did comething wrong	you're afraid to embarass yourself amound them	to imagine that you're together
themstaring at your arm explodes	whenever someone mentions them you immediatly start eavesdropping	you stubtly watch them in the halls	to impress them
when someone finds out they try to hook you up	you catch yourself thinking about the m too much	you have a hord time talking to then	you know you'll gaver be together
