

Kyle is only physical with Stan and Kenny

Stan is very physically affectionate

Kissed once (?) very drunk at a party

band AU/Spiderman AU

# Style

Stan x Kyle

he only gets mad at Stan when he's super stressed or anxious, and even then Stan always has a calming effect

Stan only gets mad at Kyle if he's drunk or having a breakdown

Stan totally simp over Spiderman

Cartman always shoots slurs at them

Occasionally sleep together when they're "cold" or stressed

they aren't "technically" dating

the Spiderman thing causes a lot of tension but they eventually work it out
