

Hi! I wanted to tell you guys about drama! Me and best friend Taylor Hart since pre-k we have been at the same school all the time! We have another bestie named addy she is SO annoying she asks us at our dorm about her gallery and I try to help her be nice but I am so fed up! Thankfully she is not at our school! But I am just not helping her anymore. What do you think I should do? Follow me and Taylor:
