

Shame on you
Pumpkin — Cake

(I have questions
if you'd like
to answer)

lucifernevermiles

@pumkin_cake, you stole

@parayst's artwork!!!!

a bio I noticed
recently

very bold accusation I must
say.. coming from such a
largely followed user

were the original
sketches yours?

OR

Did you really steal
art?

I did some digging...

1

I accidentally ungrouped these two

2 point like #3

drawings posted

all vaguely similar

5

← weird white splotches →

④ and ⑤

are two
completely
different
drawings
right??

they look a
little similar
so I use the lasso
tool and find
this...

4

look how
different the
two art styles are

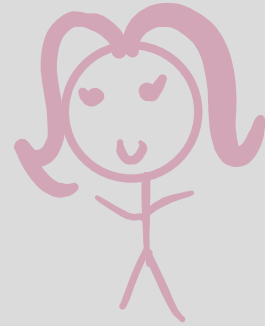

NOT TO MENTION
THE WHOLE DIFFERENT
CHARACTER UNDERNEATH
(same as #3)

5

quite literally
just colored a sketch
some modifications ↗

For everyone who is wondering why i always draw my characters sideways, it's because i can't draw them anywhere else ;-;

This post is complete BS. ↗

This is your actual art :

unless im

wrong
