

Roses are red

Violets are blue

I thought I knew frustration

Until I met u

B\*tch flatter than a cutting board

If u want me to, I'll drop some more

Nah don't run im here to settle the score

Don't think I'm done cus I got more in store

u so fat needa lay off the food

Laugh so dumb make u sound like scoopy

doo

Roses are red

Violets are l blue

u dont like me

But who said I ever loved u?

Your like a side chick to me

ugly as can be

I never wanted u in my life

So u can pack ur bags and leave
