

My math teacher was not here on Thursday so we had a sub. Then today she tells us SHE MISSED US, bro that's a little sus. She has like three kids, I guess were her favorite class.

Then in school studies today, I had present my project and I swear I did so bad. Then I heard in art a lot of people voted for mine. There is a prize if you win. One of the boys screamed, DEMENTIA ES MUY BUENO! Buddy that's muy malo.

We had a pop quiz in spanish, and bro that was EZ. 11/11 Although I learned all this two years ago.

Like two days ago someone sitting in the back yelled "Water sugar." Then today someone wisphered, "I eat children." So you sayin that we have a child EATING ANOTHER CHILD LIKE WHAT THE

Before all of that in science, the smartest student in the class searched up on their Ipad, how to hide a... ,yeah i'm not going to finish that. Then the literal police office of the school came in and said, "I need ____" I'm not going to say the name but he was male. Bro was out there for 10 minutes or so. I love my school guys but it's crazy.
