

how to bypass school blocked websites - mostly for my irl friends

how to listen to any song - soundcloud

how to play games - scratch (when its search is fixed), arcade on internet archive, and most .io games work

how to watch tiktok (this one kinda complicated)- get any tiktok video link you wanna see, go to an unblocked tiktok converter, place the link there and download it

how to watch movies, videos, play games, etc - internet archive

how to watch yt- do the same thing that you did for tiktok but with a yt converter or go to internet archive and search yt (takes super long to load)

and yea tell me if u need another website ill find a way
