My friends aren't at school yet or smth so i have no one to rant to about the broadway season near me so I'll be dumping my feelings on all of you.

Ok so there's 5 musicals that i wanna see and I'm screaming I'm so excited aaaaaaa

Ok so SIX IS COMING TO WHERE I LIVE IN NOVEMBER IM GONNA DIEEEE

SIX IS ONE OF MY TOP FAVORITE MUSICALS EVER IM GONNA GET TO SEE IT

ok also beetlejuice is coming yes although I've seen like an hour of it and I'm scared mom won't approve especially if she knows i know what's in it so imma have to pretend i haven't seen it or some of it lol

Ok and WICKED EEEE

i haven't see much of wicked (no more than 45 minutes) but i really like it and imma try to slime tutorial it as soon as I'm ungrounded (can't watch tv or phone or iPad or anything while I'm grounded ughhhh)

Also i wanna see Mama Mia, which I've never seen and know like nothing about but everyone says it's good so in excited either way

And lastly there's frozen which I'm not as excited as the other ones but still it's gonna be good we did frozen at my school a few years ago and it was amazing (it was 2nd grade through seniors and the high schoolers have great voices so it was suuuuper good)

So imma have to spend all of my money on season tickets because no way I'm missing any of these

I haven't even been into musicals and broadway for very long but I'm still super excited as a broadway baby lol
