

Life update!

Me and my bf broke up

And, let me tell you why ME/I/MYSELF broke up with him.

I am Christian, and had been praying for him. During my prayer, I felt the Lord tell me to get out of the relationship before anything happened. We hadn't held hands or even technically touched yet, because I wanted to take things slow.

So, I broke up with him

And it was hard for a while, but I kept praying.

We talked and decided it would be best to just be friends.

In all reality, I could never see myself with him in the future. I couldn't even imagine it (and that's saying something as an author and artist).

If you can't see yourself with someone, then don't continue on. It's best for you and the other person.

And for my Christians out there, if the Lord says no, then he says no.

Do what He says.

With all honesty, I'm now seeing stuff I wouldn't never noticed if I was in the relationship longer, and I'm very glad I listened to Christ.

He didn't do anything wrong, but God said no.

Anyways, hope yall understand and maybe learn something from my experience!
