

# Doodle Page!!!

Can Jake be friends with Bob?

Bob

Jake

Supposed to be a handshake

P.S. Can Jess also be friends with Bob?

Omg, @honey-bee23, I am such a fan of your art and, of course, Bob!

Your drawings are so cute and amazing that it brings me special childhood memories!

You don't know how your daily Bob pics brighten the day! I think also that you're amazing and have to keep shining! \*v
