Nora: **Nora runs to the commotion near by** “Hey, you ok?” **She puts her hand out to help him up**

Erie: ah, you two finally made it! *Comes over* welcome to New Eridu! Wait, Nora, you’re here too?

Nora: “Hi, yeah I have no idea how I got here..” **she said as she looked over to Erie**

Erie: *nods slowly* neither do I....

T: *T stands up and looks around before facing them* ..I was just getting comfortable from when last time we met *T brushes his hair from his face* so, Erie you seem to know what’s going on, why are we here?

Erie: We’re becoming hollow investigators! Just.. uh... yeah. Look up hollows if you don’t know what they are... aaaannnnnyyywaaaaaays! Let’s meet our proxies! I.. uh.. may or may not have gotten the most famous proxy in the city, Phaethon!

Belle and wise: come downstairs from the bedrooms upstairs, curious as to why there’s a dragon and two robots in their store

T: *T crosses his arms over his chest before looking at Belle and Wise* what’s with them?

Nora: *nora looks at them too* “Oh, this is just more interesting by the minute..”

Wise: Who are these people?

Belle: I have no idea.

Erie: oh, hey, proxy! I’m Erie, this is T, and that’s Nora! I applied to work for you two on interknot!

Belle: hmm.. oh, hey, Wise, I realize who this is! It’s the new account that commented on our post!

Wise: oohh...

T: *T does the upward nod to Belle and Wise* sup

Belle: *waves*

Wise: *nods as a response*

T: *T looks around before noticing a mini fridge before walking over to it and taking out a soda* so.. what’s first?

Erie: imma go try and find some work to do...

T: *T leans against the wall, drinking the soda he had* Alr

Nora: *looks over to T* “is that soda even good? Like exasperation wise?..” *she sits on a nearby table*

T: *T shrugs nonchalantly* idfk *he looks down at the can* it’s not a brand I recognize

Erie: I dunno. Lemme see it.

T: *T hands the can over*
