

Ok so today imma talk abt dance moms dancers that I love 😊

1. **Chloe**-she was always so cute and sweet and never really understood all the drama. I love madie, but Chloe had a special place in my heart and I was always rooting for her.
2. **Mackenzie**- poor child always lived in Maddie's shadow, so that was lots of pressure and Melissa **BIG TIME** favorited Maddie, so I always felt bad.
3. **Asia!!!** She was so cute and such a good dancer. My opinions on her mom were different but asia was so good and had a lot of potential I was sad she didn't stay longer.
4. **Paige**- poor Paige always got in trouble for stuff she didn't do and she was really good but was just over looked I miss her being on the show 😞
5. **Ok Last but not least NIA!!!** Nia is by far the one I love the most. She had my heart from the very first episode when she was talking about buying herself a crown cause she couldn't win one. She works so hard, had so much potential, and wants it so bad but always was overlooked. I haven't finished watching yet (I'm on season 4) so don't spoil it for me but I really really hope she wins that crown one day.

Anyway I love nia a lot. 💕💕💕💕💕
