

fav songs of march 2024!!

- dying on the inside - nessa barrett (describes me way too much)
- scatterbrain - emei (adhd girly)
- madhouse - nessa barrett (again describes me sm)
- feather - sabrina carpenter (always gonna be a fav)
- good in goodbye - madison beer (love such a good song!!)
- exes - tate mcrae (sounds so cool!)

also, I don't feel okay. if i know u irl, then u might notice im gonna be a little off. I'll tag my irl friends. there's a lot of things I've never talked abt, and even stuff my bestest friends don't know. if u guys wanna know tell me, i wanna be more open abt things, cuz ik im not the only one struggling
