

Part two for more info??

Hmong people aren't 100% Chinese, soo no.

Hmong is an ethnic group that originated from China and fought in the Vietnam War with the Americans, there is a cruel and a long history about my culture and we are kinda unknown to most people. Hmong people have their own embroidery and clothing and we have a Hmong New Year on November and December if you've ever heard of it!!)

very messy.
