

Hello everyone

I'm sorry I haven't been posting I have been busy with track practices and thinking of what I want to do for my wof book I have literally been going back through the book to see if I could change anything so I have a few things that ima put in numbers bellow so here are the few things

1.im postponing the book for a while until I can figure out what I'm doing with it

2.im changing the prologue a little bit it's still mostly going to be the same as it was

3.im going to do something similar to what Mr-dragons doing and going to be asking questions to you guys and hopefully getting responses for them

4.finnaly I'm going to try drawing things but if that doesn't work then I'll probably just not do it

And that's all I wanted to say so sorry it's taking a while but hopefully you all like it when it comes out
