

pronounced "zovee"
Xovi (kind of a persona?...)
beetle backpack!!

Xovi is shy. He is fascinated by space, and by humans, a strange alien race from light years away. He loves drawing and drinking orange juice.

his plushie, Glowie
his favorite bag
MILK
5000 many band-aids...

Name: Caterpillar
Prns: he/him

Caterpillar works at a daycare, which is ironic because he seems like he would be a child in a daycare. He has always cherished his youth. He loves playing with chalk and watching kids shows and wearing bright clothes. Everyone called him a kawaii kid core zesty boy. He's not sure why.
