

floof club talk sheet #2

talk on here about floofy things! you can only talk on here if you are apart of the floof club! also, can someone please make some more floofy art?! im doing something extremely cool! :D

dockat: Ok so... FLOOFY THINGS. I like the feel of guys' hair, petting curly haired dogs, fluffy plushies, and stroking silky cats. What abt you guys?

frill: guys hair is so amazing :0 i have 2 poodles and oh my lord they are freaking soft and amazing! i sadly have no fluffy plushies and i have never, EVER not loved a silky cat.

dockat: Aaaaaaaah I wish I had a poodle ✨ Or a cat, but I'm actually allergic to them. It's not bad, but I can't be around them for too long.

cats_are_better_than_dogs: lmao wish i had a pet too ;-;

dockat: What kind of pet? :3

cats_are_better_than_dogs: cats ofc :P

dockat: Ok, that was low-hanging fruit. What kind? And how do you feel about hairless cats...?

dockat: I looooooove Ragdolls, they get so big too!! Gn :]
