

So... I just remembered.

I joined Gallery in 4 May 2023. It's been a year since I joined! Plus 2 days cos I forgot lol

Thank yall so much for giving this silly not-so-local Genshin fan a chance! Especially the OGs like @littlesylveon who've stuck by me for a really long time, and amazing people like @ajax-the-salmon who've supported and befriended me.

To celebrate, I'm posting a lil surprise (for Genshin fans ig) within this week, and another surprise idk when ☺

Love yall (platonically)!
