

Hello ♡,
I've to tell you are
story! Before ca. 1-2 month
my old iPad broke. It was
an iPad 9th generation...
Than I bought a new one,
it was an iPad Air. But
I bought it renewed and it
was already broken. Than
I used the iPad from of
my Mother until this one
got delivered. So now I've
an iPad Pro, 11" 4th gen.
