

hey guys I need some quick advice. So i have this crush, and idk if he likes me or not but do y'all think I should tell him. Bc idk if I should bc he might like this other popular girl who ik she likes him but again idk. My friend kept telling me he dozed off and just was staring at me straight and everything buttttt... Y'all need to tell me in da comments.

I also just forgot he just went on a mission trip to Mexico but I can tell him on Monday. And also how do y'all think I should do it? Idk how I should tell. 😭😭
