

Goldilocks and the three bears (but funni)

Once upon a time, there where three bears, daddy bear, mama bear, and baby bear, mama bear had made some porridge and in a really clear voice she said: "look everyone, its hot okay? Wait till its cooled down!!!" But no one was listening.. baby bear was on a screen watch or something, and daddy bear was reading about football, so the next minute baby bear eats some porridge and he's like: "Owww its too hot! Owww my tongueeeee!!" And mama bears like: "What did i just say?? I told you, wait till its cooled down!!!" Baby bear: "you didn't say that!!!" Mama bear: "i did you weren't listening!!! You where on that watch thing again!!" Baby bear: "no i wasn't!!!" He says while still tapping on his watch, mama bear: " no one ever listens to me around here!!" Then daddy bear eats some porridge and he's like: "GAH ITS HOT!!!" And mama bears like "are you kidding me?! Are... you... kidding me?" "OWWW!!!" Says daddy bear, and he's running his tongue under the tap, and mama bears getting stuck into him, and daddy bears like: "calm down Tanya!!" while still running his tongue under the tap, and baby bears like "stop it!!! Stop fighting!" Anyway, this went on alllll morning until mama bear stormed out, and daddy bear ran after her going: "I'm sorry, baby!!! Come back!" And baby bear followed, so they where all gone for a walk, and then Goldilocks walks up, cuz she heard the noise a mile away, she looks in the window she sees the porridge, and shes like: "Ooooh that looks good!!" And then, instead of going and getting a job and working hard and saving up some money and buying some oats and making her own porridge, yk what she does?? I'll tell you what she does, she breaks and enters into the three bears' house, and starts STEALING THEIR PORRIDGE!!!!

"So??" She's a dirty porridge thief, and we're all just meant to be okay with this!! So this criminal, Goldilocks is munching away when the doors bursts open, and its mama bear, and shes shouting, " IM GOING TO STAY WITH MY SISTERS!!!" And daddy bears all like: "look Tanya we can figure this out" and baby bears all like: "stop fightingggg!!" And then suddenly, BOOM they notice Goldilocks at the kitchen table EATING THEIR PORRIDGE!! WELL, mama bear hits the roof, and shes like: "GERALD BE A MAN FOR ONCE IN YOUR LIFE! AND DO SOMETING!!!" And Gerald's all like: " what's going on here?? Who are you??? And Goldilocks does this sort of like karate move, "HYAH" and goes: "I'm your worst nightmare" daddy bear steps back down like a coward but mama bear steps up, and cracks her neck and is like: " bring it on blondie.." so this huge karate fight starts, everyone's kung-fuing and karateing, and baby bears at the back just throwing in ninja stars, mama bear's ninja kicks are too high and daddy bear's ninja kicks are too low, so Goldilocks is winning, yk shes a bit of a hard nut.. (and ngl kinda sounds hot-) (JOKE JOKE JOKE XDD anyway..) she's got the bear family on the ropes but baby bears like: "hang on.. why are we doing karate and stuff?? We're bears we got claws!" And mama bear's like oh yeah good one baby bear!!" So they start going old school claws out, bear style, and Goldilocks is like: "I'm outta here!" And shes like PSHHHHH through the window hits the floor and starts running "AHHHHHHHH!!!!" WHOOHOOOO the bears cheer and they're all high-fiving, and going: "yeah good one baby bear!!!" And mama bears all over daddy bear going, "Awh you where awesome feral like really manly and heroic" (despite mama bear doing most of the fighting) and he's like "awwww yeah thanks babe, you where good too" and yk what? They decided that houses and porridge and clothes and the ways of man really wasn't for them anymore so they sold the house and moved into the forest and ate berries and salmon for the rest of their lives and lived happily ever after, the end! :D "AGAIN!!" NOO!!!
