

One day I sit down for math class and this is written in my desk, "hey there hot stuff~" So I write "BRO" Then I come back the next day and see that someone turned it into "BRO UR MY SWEET CHEEKS." Then I wrote something again... "BRO IM NINE." Best phase someone wrote after that was "I LIKE THEM YOUNG." After that no one really responded sadly.

I put a sticky note saying "Write Something Funny." SOMEONE RIZZED ME UP, but I can't put it in here because I do not want to get banned. (I will put it in the comments ❤️)

By the way, I MADE
THE TEAM AT MY
GYMNASTICS
STUDIO!!! 🎉🎉

Me when I was 8
would be so proud of
me today!
