Vro! He js called me "prairie dog" ok.. thanks vro.. 💔💔 so as a I was putting the mangos in the bag, I see this rlly fine shyt so I said "mango, mango, mango! Yo, who's that fine shyt" stupid caca Samuel 🙄 says " that's MY fine shyt Salem. Stay away from my kitten." So I was like okay vro wtv u say.. but I think he likes boys. As senpai Samuel finished the tour, I quickly walked over to fine shyt Salem. I fixed my dreads and said, "hey fine shyt. Bet you've never seen a guy this nonchalant huh?" She blushes and in my mind I'm just like "DANG MY RIZZ IS SO STILL WATER!!!1!!1!11!!"

Salem's perspective

Okay so Samuel tells me that in a hour he's gonna give a new kid a tour around the camp. Alright nothing wrong with that. As I was going to my treehome or "treehouse" I spot Samuel and the new kid. The new kid... let's just say he's alright but since I'm dating Samuel, that kid is rlly freaking ugly. He smiles at me and I smile back. I quickly look at Samuel hoping he didn't see me smile to the new kid. I see that Samuel tells something to the new kid and he walks away so that means he's probably done. I just turn around and continue to walk away. But I hear footsteps around so I turn around and lo and behold, it's the new kid. Before I can say a word he says, "hey fine shyt, bet u never seen a guy this nonchalant huh?" I just look at him like he's stupid.
