

**“Finnick?” I say, “Maybe some pants?”  
He looks down at his legs as if noticing  
his outfit for the first time. Then he  
whips off his hospital gown leaving  
him in just his underwear. “Why? Do

ridiculously provocative pose --  
“distracting?” I laugh. Boggs looks  
embarrassed and Finnick looks more  
like the guy I met at the Quarter  
Quell”**
