

Looking around the gallery and seeing the drawings of people like ilhan_a, astro_247, efizxx, ajax_the_salmon, loxxi, potuc, rewrite & more

I wish I could draw
that good
too-

Uhm shawty
anyways-

This was actually meant to be a shoutout to all the cool people I would like to make fanart for but it's a lot of people and I don't have time for now (one day maybe!) Tmt

So pls go follow these peeps
they are so so cool and I look up to
them &/or think they're cool! ♡♡
