

Do you have a  CRUSH? Bingo

~~they smile at you and it makes your day~~

~~you pretend that you find them annoying~~

you talk about them constantly

you've dreamed about them

~~you blush whenever they talk to you~~

when they get in trouble you are in denial that they did something wrong

you're afraid to embarrass yourself around them

you like to imagine that you're together

Yea but he don't notice lol

~~you catch them staring at you and your brain explodes~~

~~whenever someone mentions them you immediately start eavesdropping~~

you subtly watch them in the halls

~~you try to look nice to impress them~~

~~when someone finds out, they try to hook you up~~

you catch yourself thinking about them too much

you have a hard time talking to them

~~you know you'll never be together~~

i mean maybe...
