

# Make your own сияющий (radiant) OC

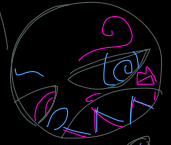

## Colors they can be

## Eyes

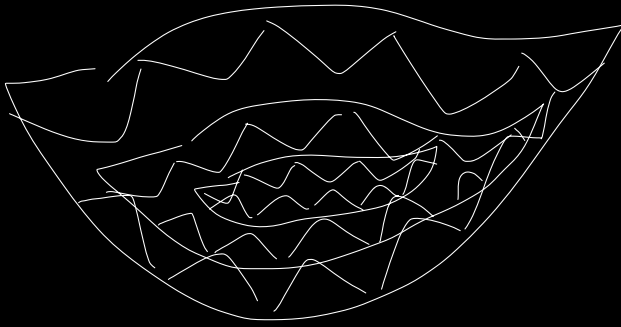

Wants Friends  
! :>

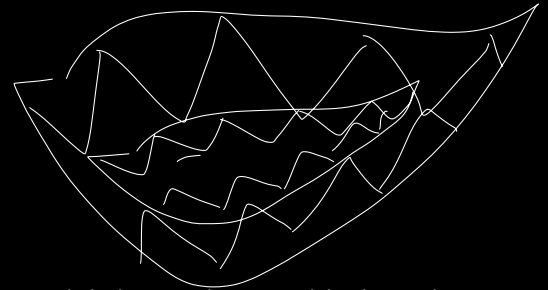

MAYON

A little mor dull than the females but has three mouths

Boys

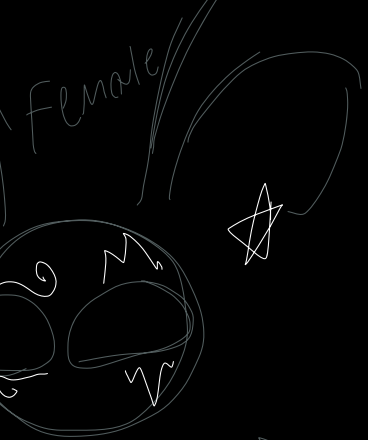

Literally a meat grinder has way sharper teach but less and only has two mouths

- They can also change color based off their mood.
- They can bind others with their bright neon lights.
- One of the strongest demon kinds out there but went extinct
- You can fix that by creating your own ( fanon)

Male

Female

Females have skinny body parts but the wings are bigger than the boys  
Boys are thicker than the girls and their wings are smaller and their tail is thicker and longer while the girls are skinny and shorter
