

*And the universe said I love you*

*And the universe said you have played the game well*

*And the universe said everything you need is within you*

*And the universe said you are stronger than you know*

*And the universe said you are the daylight*

*And the universe said you are the night*

*And the universe said the darkness you fight is within you*

*And the universe said the light you seek is within you*

*And the universe said you are not alone*

*And the universe said you are not separate from every other thing*

*And the universe said you are the universe tasting itself, talking to itself,  
reading its own code*

*And the universe said I love you because you are love*
