

If I tagged you it was because you responded to my post about the contest saying you would join

Rules:

No debating the prizes

The character doesn't have to be yours, please clarify if so

I made the due date a while away because of how many contests are going on, no late submissions

Please tell me if you are backing out or else I'm going to bug you

If I find out you stole or traced your submission you are disqualified and will not be able to participate in any contest I may do in the future

It can be traditional art, please tag me if so

Use the tag #azhersghostcontest for you submission
