

Alr bro, ima make this quick and fast cuz your just plain stupid 🧠 what drugs are you on? Have you been consuming alcohol? Are you mentally ok? Who's user name is @ gummyfeetraticklegaminghat 🤔 and who are you to tell someone to leave notability when you have no post, 0 followers, a goofy ahh username, and probably no friends. Btw, are you black? Prolly not. You over here shooting the n-bomb like it's 1856 🧠 your ancestors passed their traits down, and made sure not to miss anybody- and who's feelings are you hurting 😭 oh I'm so sad he n-bombed me 😞 saying all tht shi is like talking to a brick wall. Bro ur probably still in the 3rd grade and get mad when stuff doesn't get done your way. Even if you are in a higher grade, how do you act so immature? Did your parents even teach you anything? Like the basics, manners, kindness, be humble? Anything? Apparently not. Tbh if I were your parents I would see you as a true disappointment. Your the type of kid tht makes parents wish they had a gay son or th0t daughter instead 🤔 🧠 bro seriously get better comebacks, stop throwing the n-bomb, and acting all cool and mighty when ur literally choose to sit down and call people the n word. Thts not cool, and thts stupid anyway.
