You can't
Sleep

Sometimes

Nope I'm
not
you're a
morning
person
night
owl
either

not really but still

You're
scared of
the dark

You
remember
your dreams

I have a journal
for them

You're
always
cold

nope!
You share
your room
with a
sibling

You hate
waking up
early

Yep I have
to

wake up
at 5:40 AM
for school
every morning

You
forget your
dreams

eventually

I try not
You go to
to sleep
late
