

A complex maze is rendered with thick black lines on a background that transitions from light pink at the top to bright orange at the bottom. A single path is highlighted in a vibrant blue color, starting from a small blue circle at the top center of the maze and winding its way through various corridors and dead ends. In the middle of the maze, the word "Start" is written in a bold, black, sans-serif font. The maze's walls are composed of thick, solid black bars, creating a network of paths and dead ends of varying widths.

**Start**

**I wish!**
