

Guysss... so basically me and my friends were prank calling this guys from my friend's school and she rejected him for Valentine's Day so we called him and said "I know that Sarah rejected you but I wanna know if I can go on a date with u.."😂😂 and he was so confused and let's say his name was John and John was like, " what's ur name?" And I said bigback 😂 and so then he was like I KNOW WHERE YUO LIVE BIGBACK IM COMIG FOR UUU... and we were like, what? And then he hung up... 😂😂 and then we prank called my friend and pretended we were in a relationship and she was soo confused an then we hung up and then her mom called us... 😳😳 but she thought we were a spam caller bc we called her off of my other friends phone bc she didn't know any of these people...
