

# Embarrassments

being in the same  
room as your  
crush

when a teacher yells  
at you in front of  
everyone

crying in front of  
people

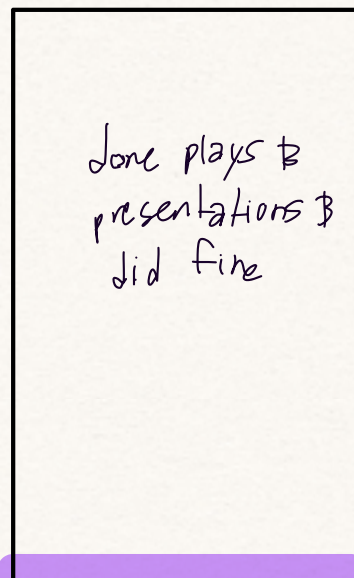

pg 2

throwing up in front  
of people

having your parents  
around when you're with  
your friends

public speaking

everyone sees  
me as the  
"smart good kid"

You raise your  
hand and answer  
wrong

i do this  
all the time  
on purpose

You say/ask  
something really  
stupid out loud

oops...

You call someone by  
the wrong name

yo

You say something  
to your friend as  
the class goes  
quiet

Why v not get the Invader  
Zim ref?...

Nobody  
laughs at or  
understands  
your joke

mostly just  
get mad

You say something  
multiple times but  
still aren't heard
